

THE SIBLINGS BROWN

RICHMOND, VIRGINIA

MEET THE AUTHORS

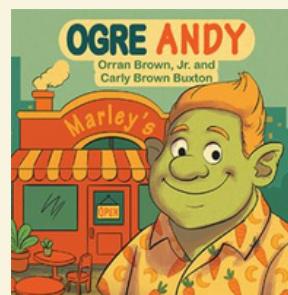

Orran Brown, Jr. and Carly Brown Buxton are a sibling duo who have been creating stories together since childhood. Orran, a father of three, draws inspiration from years of entertaining his own children with imaginative tales.

Carly, a mother of two with a background in research and nonfiction writing, brings structure and rhythm to their collaborative verse. Together, they create playful, character-driven stories that celebrate creativity and individuality.

ABOUT OGRE ANDY

Ogre Andy is a rhyming picture book for elementary children about a kind-hearted ogre whose wildly imaginative food order causes delightful chaos at a local restaurant. The story encourages children to embrace what makes them unique while enjoying humor, rhythm, and vibrant illustrations.
